Sports Injury Walk In Clinic

Sports Centre Physiotherapy is pleased to announce that we are now offering a sports injury walk in clinic. If you have an injury as a result of a recreational activity or playing a sport then this is the clinic for you. You will be assessed by Dr. William Scantlebury and be consulted by a physiotherapist if needed. Referral to orthopaedic surgeon Dr. Steve Miller will be arranged if needed and you will be seen at a future clinic at Sports Centre Physiotherapy.

Benefits:

- Timely appointment with a doctor
- Access to a physiotherapist
- Ability to see an orthopaedic surgeon in a timely fashion

This clinic is for people with injuries related to sport or recreational activity only. People with colds, flu and illness not related to activity will not be seen.
